On-Demand Transit
Wasaga Beach Transit uses On-Demand bus service to complement its conventional bus service. On-demand has no fixed route or schedule, and it is currently availabl along the easterly portion of Route 1.

On-Demand transit users must book their trips up to 7 days in advance. once booked, the bus will pick up and drop off at bus stopo locations, as shown on the map on the reverse side.

Rides can be booked through the Blaise Mobile App, at wasagabeach.com/transit, or by calling 705-446-1196.

Wasaga Beach Transfers
Bus transfers allow passengers to transfer between routes without paying an additional fare where the two routes meet. Transfers are only valid for about 45 minutes, and they do not permit customers to board the bus for a return trip on the same bus where the transfer was obtained. You are expected to pay to ride the bus in each direction of their trip.

Transfer Point Locations
Here's where you can transfer from one route to another:

- Stonebridge Town Centre
(in front of Walmart)
- Mosley Street
(Sunnidale Road to Riverbend Plaza)
- Ramblewood Medical Centre
(14 Ramblewood Drive)
- Canadian Superstore
(45th Street South)

TransitPLUS Specialized Transit
The transit service is a shared ride, door-to-door service designed to meet the needs of residents who have a disability that prevents them, on a regular basis, from being able to use the town's conventional transit service. To use the TransitPLUS Service, an application form must be completed and submitted for approval.

This form is available online:
wasagabeach.com/transit

Effective January 2025
