Wasaga Beach Transit Together with COLLTRANS SMART CARD

Wasaga Beach and COLLTRANS riders now have the ability to purchase and re-load their transit passes using Smart Card technology. The Smart Card contains an embedded chip that is recognizable to an electronic reader on the bus, and allows customers to pay their fare with the simple tap of a card. Smart Cards are available for purchase at both the Town of Wasaga Beach and Town of Collingwood Town Halls. This new fare payment system will eliminate the need for paper tickets and passes as well as providing you with a wider choice of payment options, including the ability to reload your card on the bus or anywhere monthly passes are currently sold for Wasaga Beach Transit, the Collingwood-Wasaga Link, and COLLTRANS. With the technology doing all the work, it's never been more convenient to ride transit - within and between systems.
